Quality

Global product development gives our products a level of quality that is unsurpassed in the industry. More innovations in less time mean we can provide you with the advanced technology and appealing aesthetics you desire.

Exceptional Styling

Whirlpool® and KitchenAid® home appliances feature a consistent styling across all kitchen and laundry products with a design that is flush with cabinets in a color coordinated package!

Easy Installation

Whirlpool® and KitchenAid® home appliances have features that make installation easy — whether or not you're the one doing the installation.

Safety

Few people know that Whirlpool Corporation has been recognized by the U.S. Consumer Product Safety Commission (CPSC) for our product safety process. We are the only manufacturer in the Industry to receive the CPSC Chairman's Commendation for Significant Contributions to Product Safety.

Customer Service

Get Fast, accurate answers to your questions. On the phone or the Internet, Whirlpool Corporation provides the answers you need — when you need them!

*Models are subject to change and will be replaced with comparable models.
